Hello friends,
welcome to our week twelve Newsletter
This is our last newsletter of our first term!
Woohoooo!

In this issue, we will share a message from our principal and also share with you a sneak peek into our end of term students get together that happened today (Friday 5th, November) It was all fun, play and snacks!
Next Term begins on 22nd November, 2021.

Dear Grace Project family,

I want to give thanks to the Lord and to thank you all for your continued support and encouragement toward all our learners at Grace Project international school. I feel very privileged and proud to be working with very special individuals (students, parents and staff team).

Since starting the school in August of this year, I have been impressed with the dedication of our lovely staff and the support of our beautiful parents and all the partners in driving achievements and successes forwards. Students have learnt so many things during their time with us and I am pleased to see the report that progress and attainment are both outstanding. These are important things of course but students have also learnt many more equally valuable things, including how to be a good friend, how to resolve conflict, how to persevere, how to find their own solutions and how to always do their best.

Well done all of you for good result and thank you for all your cooperation.

Have a safe and enjoyable break.

Mrs. Shinah C. Zindoga
