15th December 2021

Hello everyone,

We had a wonderful week in all of our classes. Step 1 and Step 2 enjoyed learning all about celebrating Christmas and the meaning of this special holiday. We ended the short week with a beautiful Christmas party, Step 1 dressed up as Christmas trees and did a lovely dancing performance; and Step 2 had time to sing their favorite Christmas carols and wrap presents. The Step 1 children also enjoyed making Christmas cards, and baby Jesus in a manger. Step 2 students made Christmas trees and angels this week as well. Step 3 class started this week off with going over what they have been learning about on their topic of transportation and made their final web. The children in Step 3 also enjoyed listening to wonderful Christmas songs and made a Christmas card this week leading up to our Holiday break. We thank you all for the wonderful work you are doing with your children, there at home. All of us here at Grace Project want to wish you a very Happy Holiday and a Wonderful New Year.

The holidays are finally here, which means getting in the Christmas spirit. This time of year is a reembrace of the joy and happiness we find in knowing we will spend time with family and friends, as well as celebrating the birth of Jesus Christ. The staff and teachers of Grace Project International preschool want to send you with a message that your days be merry & bright this Christmas season and throughout the New Year. **Best wishes** for a joyous Christmas and a New Year filled with love, happiness and prosperity. We hope you will have a simply wonderful Christmastime! Best wishes to you and yours.
